

AQUASTONE POOLS & LANDSCAPES

ENDLESS ENTERTAINMENT

ENORMOUS FUN FOR YEARS TO COME

This incredible pool is everything the homeowners wanted and more. It is packed with features to keep adults and kids entertained for many years to come. This is perfect for the young family, who wanted a pool that would provide not only entertainment, but also a touch of luxury.

To achieve this, the team at Aquastone Pools & Landscapes included a shallow area where the kids could play safely, as well as water spouts, which serve as entertainment and a relaxing water feature.

An adjoining spa adds even more luxury to the space and provides the perfect place for the parents to relax and watch their children play in the pool. Overall the space is perfect for all ages, which means it will continue to entertain as the family grows.

Designed originally by another landscape architect; the final design was modified by Gavin Bazley at Aquastone Pools & Landscapes in conjunction with the homeowner.

Aquastone Pools & Landscapes was established in 1996 by brothers Scott and Gavin Bazley. As well as new projects like that pictured here, the company also completes award-winning renovations throughout Sydney. The team strives to deliver the very best quality outdoor living space for each and every client.

At Aquastone Pools & Landscapes, the person who sells you the pool is the person who will build your project. The team prides itself on going the extra mile to ensure your newly created outdoor living space is one that you will enjoy now and well into the future.
